NOTICE OF INTENT TO AWARD A SOLE SOURCE CONTRACT

The Manatee County Procurement Division provides notice of its intent to award a sole source contract with a value of \$100,985.00 with Selectron Technologies, Inc. for the provision of Selectron Technologies' Relay Permits, Outbound, SelecTXT, and Atlas software maintenance renewals for fiscal year 2023.

ENABLING/REGULATING AUTHORITY

Federal/State law(s), administrative ruling(s), Manatee County Comp Plan/Land Development Code, ordinances, resolutions, policy.

Manatee County Code of Laws

BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Selectron Technologies' Relay Permits, Outbound, SelecTXT, and Atlas software maintenance renewals for fiscal year 2023 from Selectron Technologies, Inc. without conducting a competitive solicitation process for the following reason(s).

The County purchased Selectron Atlas Insight and Locations software in January 2021. This proprietary software enhances current Selectron Technologies software in use by the County. No other party is capable of performing the various maintenance responsibilities including code corrections, product updates, and technical support.

Any company that believes they can provide this good or service must provide, in writing, convincing technical data sufficient to support their position to the Manatee County Procurement Division at purchasing@mymanatee.org no later than September 25, 2022.
