**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure Submersible Pumps from Xylem Water Solutions USA, Inc. without conducting a competitive solicitation process for the following reason(s):

Xylem Water Solutions USA, Inc. is the sole distributor for Flygt products for the municipal market in the State of Florida. Flygt products are currently in use at all three water reclamation facilities. Changing would require downtime, disruption of the treatment process, and would void warranties on current products.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than January 8, 2024 for evaluation and consideration.
