TO: All Interested Bidders
SUBJECT: Invitation for Bids #16-2335CD
Lockwood Ridge @ State Road 70 Utility Relocations

ADDENDUM #2

Bidders are hereby notified that this Addendum shall be acknowledged on page Bid Form-1 of the Bid Form and made a part of the above named bidding and contract documents. Bids submitted without acknowledgment of the Addendum will be considered incomplete.

The following items are issued to add to, modify, and clarify the bid and contract documents. These items shall have the same force and effect as the original bidding and contract documents, and cost involved shall be included in the bid prices. Bids to be submitted on the specified bid date, shall conform to the additions and revisions listed herein.

The following question has been presented by potential Bidders:

QUESTION #1: We have recently observed the installation of what appears to be electrical conduit at the southeast corner of the intersection at S.R.-70 and Lockwood Ridge Road in the same vicinity where the 30-inch water main is to be relocated. It appears to us these conduits will impact the work proposed for the water main relocation that the County will be taking bids for. Please advise.

Response #1: If work has been completed in the construction area since the date of the plans on May 31, 2016 that will impact the proposed work included in this Invitation for Bids, Manatee County will resolve any potential conflicts during the construction of this project.

END OF ADDENDUM #2

Bids will be received at Manatee County Purchasing, 1112 Manatee Avenue West, Bradenton, Florida 34205 until **Tuesday, June 28, 2016 at 3:00 PM.**

Sincerely,
