Solicitation Addendum

Addendum No.: 1
Solicitation No.: 24-TA005094SAM
Solicitation Title: Professional Geotechnical Engineering and Soils and
Material Testing Services
Addendum Date: December 19, 2023
Procurement Contact: Sherri Meier

RFQ No. 24-TA005094SAM is amended as set forth herein. Responses to questions posed by prospective bidders are provided below. This Addendum is hereby incorporated in and made a part of RFQ No. 24-TA005094SAM.

The deadline to submit all inquiries concerning interpretation, clarification or additional information pertaining to this RFQ was December 13, 2023.

QUESTIONS AND RESPONSES:

Q1. Would the County Consider accepting digital acknowledgements of addenda in the event proposing firms submit before the holiday and before an addendum has been released?

R1. Yes.

Q2. Can you give examples of hydrological testing please?

R2. Testing could be anything required to support hydrological studies, analysis, watershed modeling, etc. such as infiltration, evapotranspiration, precipitation, etc.

Q3. On Page 3 of the RFP, the County lists 10 forms that must be completed and included in the proper's submission. However, for additional forms have been included after form 10 in the RFP. Should the proposer also complete those extra forms and label them as forms 11, 12, 13, and 14?

R3. Completion of these forms is not required at this time.

Q4. What are the anticipated fees?

R4. Fees are based on the work assigned to support county projects.

Q5. Who was the incumbent?

R5. The current incumbents are: GHD Services, Inc., Universal Engineering Sciences, Inc., Professional Services Industries, Inc., MC Squared, Inc., and Terracon Consultants, Inc.

Q6. When was the previous contract and what was the budget?

R6. Current agreement expires January 4, 2024. The budget is based on the needs of the County.

NOTE:

Deleted items will be ~~struck through~~, added or modified items will be underlined. All other terms and conditions remain as stated in the RFQ.

INSTRUCTIONS:

Receipt of this Addendum must be acknowledged as instructed in the solicitation document. Failure to acknowledge receipt of this Addendum may result in the response being deemed non-responsive.
