TO: All Interested Bidders

SUBJECT: Invitation for Bid #10-1850DC
Demolition of Blighted/Unsafe Structures - Phase 2
ADDENDUM #2 - CLARIFICATION

Bidders are hereby notified that this Addendum shall be acknowledged and made a part of the above named bidding and contract documents. The following items are issued to add to, modify, and clarify the bid and contract documents. These items shall have the same force and effect as the original bidding and contract documents, and cost involved shall be included in the bid prices. Bids to be submitted on the specified bid date, shall conform to the additions and revisions listed herein.

1. As stated in Addendum #1. An asbestos survey **will** be required for all structures and all cost associated with this survey shall be included in the bid price.
2. Because the survey cannot be completed until after the contract award, Manatee County will provide payment to the awarded Contractor via a change order to the purchase order for any required abatement services. For payment, the Contractor will provide Manatee County with the completed survey and an original invoice showing the cost for abatement. It will be the awarded contractor's responsibility to complete/oversee any required abatement in accordance with applicable laws and regulations.
3. Bid Form pages 26, 27, and 28: The "asbestos" yes/no question is not relevant and is therefore deleted from the award.

Bids will be received at Manatee County Purchasing, 1112 Manatee Avenue West, Suite 803, Bradenton, Florida 34205 until **May 20, 2010 at 2:00 P.M.**

Sincerely,
