**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure CitechSCADA software support renewal for the period March 1, 2022 through February 28, 2023 from BCI Technologies without conducting a competitive solicitation process for the following reason(s):

CitechSCADA software is already in place at the County's water reclamation and bio-solids facilities.

Citech offers the County discounted pricing. They have over twenty years history and experience supporting this software.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than February 11, 2022, for evaluation and consideration.
