Debris Management Services and Emergency Response Management and Recovery Services

ADDENDUM #1

The following items are issued to add to, modify and clarify the Request For Proposal document. Proposals are to be submitted on the specified time and date due, in conformance with the additions and revision listed herein.

A. Clarification Requests as submitted by Proposer's

1. What is the anticipated length of the contract for this RFP?

Period of performance will be for an initial one (1) year period with four (4) one year options available for extension.

2. Please explain specifically how the pricing of one proposal will be evaluated against the pricing from another proposal, including the answer to these questions:

It will be scored by each individual evaluation committee member up to a maximum of 30 points may be assigned as stated in Section D of the RFP.

3. Will each pricing proposal be analyzed and refined to become one total number which can then be compared to the other proposals, and if so, what is the formula that will be used to derive that total number?

No. There is no formula for determining price reasonableness; the scoring system will be used as detailed in Section D of the RFP.

4. Is there an existing contract similar to this in place or previously in place? Are the bid tabulations available?

There are five (5) existing contracts and no bid tabulation was generated.
