September 17, 2013

All Interested Bidders:

**SUBJECT: Invitation for Bid #12-2077-OV
Repair and Refurbish Submersible Pumps and Electric Pump Motors and
Rewind of Motors**

ADDENDUM #2

Bidders are hereby notified that this Addendum shall be acknowledged on page 00300-1 of the Bid Form and made a part of the above named bidding and contract documents. Bids submitted without acknowledgement of the Addendum will be considered incomplete.

The following items are issued to add to, modify, and clarify the bid and contract documents. These items shall have the same force and effect as the original bidding and contract documents, and cost involved shall be included in the bid prices. Bids to be submitted on the specified bid date, shall conform to the additions and revisions listed herein.

Bidders Note 1: **The deadline for clarification of questions was September 13, 2013 at 5:00 PM.** This deadline had been established to maintain fair treatment of all potential bidders. Questions received after this date and time shall not be considered.

Bidders Note 2: Responses to questions received from Contractors through September 13, 2013.

Question 1: **Section D.01, Scope of Work and Section D.09, Qualifications of the Contractor** requires the Contractor's Shop or the Sub-Contractor's shop to be UL Certified as an Explosion-Proof UL Facility. Contractor is requesting eliminating the requirement for U.L. Certification for the repair of explosion proof motors.

Response 1: After investigating this request, a determination has been made to maintain the qualifications and requirements for U.L. Certification as presently stated in the Invitation for Bid.

Bidders Note 3: Additional pumps / motors which are presently used at the **Biosolids Facility** located at the Lena Road Landfill have been added to this Invitation for Bid. See Revised Bid Forms which include bid items nos.: 709 through 727.

Line Item No. 730A, Labor Regular Hours for Machining of Motors has been added to the attached Revised Bid Form.
