BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure an annual LUCAS® prevent onsite ProCare® program for 30 Stryker chest compression devices from Stryker Sales, LLC without conducting a competitive solicitation process for the following reason(s):

County EMS has standardized on Stryker's chest compression devices for patient use on ambulances. Stryker's Medical division is the OEM and sole source distributor of parts for their Emergency Care products. Stryker employs their own field service team, known as ProCare® Services.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than October 25, 2022, for evaluation and consideration.
