Hello Barbara,

The Department is in agreement with the recommendation to award the contract to Traffic Control Products of Florida, Inc. Once you have an executed contract, please provide it to us for our files. Also, please be sure I am invited to the pre-construction conference. Since this project is on the State Highway System, you will need to invite Tanya Merkle from the FDOT Sarasota Operations Center as well. Her number is (941) 359-7371 and email is tanya.merkle@dot.state.fl.us

Sorry for the confusion with the Contractor's official name. Also, please note the new person to contact at the Sarasota Operations Center for the pre-construction meeting.

Thank you,

Rick
