BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure LS Getinge Premium Service Plan from Getinge USA Sales, LLC without conducting a competitive solicitation process for the following reason(s):

Getinge USA Sales, LLC has been contracted by Manatee County to sterilize equipment used in microbiological analyses, sterilize bacteriological waste, and digest samples for nutrient analyses. These processes are essential to ensure that Manatee County's Central Labs comply with microbiological testing requirements set forth by the Florida Department of Environmental Protection (DEP) and the Florida Department of Health (DOH). Getinge USA Sales, LLC has consistently provided excellent service that has enabled Manatee County to maintain these high standards.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than February 12, 2024 for evaluation and consideration.
