Federal/State law(s), administrative ruling(s), Manatee County Comp Plan/Land Development Code, ordinances, resolutions, policy.

Manatee County Code of Laws

BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Internal temperature sensors for ambulances from Dickson without conducting a competitive solicitation process for the following reason(s):

Manatee County EMS and IT departments have tested the internal temperature sensors from Dickson, and they performed exceptionally, and they work with the IT infrastructure. The specific temperature sensors from Dickson are the only ones that could meet the needs of Manatee County security and hardware capability. These sensors are compatible with our existing equipment in the ambulances and will not require additional hardware reducing the overall cost and extra parts.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than 5pm August 18, 2023 for evaluation and consideration.
