**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure well drilling from David Cannon Well Drilling, Inc. without conducting a competitive solicitation process for the following reason(s):

David Cannon Well Drilling, Inc. has a proven track record with Manatee County on similar well drilling projects, particularly in challenging areas. The proposed irrigation system for the Palm Aire community requires a specific water flow and pressure, which will be a challenge due to the location. David Cannon Well Drilling, Inc. has identified a plan to achieve the required pressure and flow, while other vendors have advised that it is not obtainable.
