**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure Ola Mae Sims Dog Park Irrigation from Green Construction Technologies, Inc without conducting a competitive solicitation process for the following reason(s):

The Manatee County Property Management Grounds Department has been dedicated to enhancing the aesthetic appeal of medians and parks across the county through extensive landscaping and advanced irrigation systems. By collaborating with Green Construction Technologies, Inc, the department has successfully completed numerous projects, achieving remarkable results. As the beautification of Manatee County remains an ongoing endeavor, the upcoming focus is on revamping the Ola Mae Sims Dog Park. By introducing new irrigation solutions, the park will be equipped to preserve its greenery, preventing any withering that could compromise its visual appeal. The consistent utilization of Green Construction Technologies, Inc's irrigation products ensures a standardized system across the county, thereby optimizing efficiency and cost-effectiveness by eliminating the necessity for a diverse range of parts for various irrigation systems.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than July 3, 2024 for evaluation and consideration.
