**Federal/State law(s), administrative ruling(s), Manatee County Comp Plan/Land Development Code, ordinances, resolutions, policy.**

Manatee County Code of Laws

**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure Endress+ Hauser Prosonic Flow B 200 Flowmeter, Parts, & Service from Trinova, Inc. without conducting a competitive solicitation process for the following reason(s):

Trinova, Inc. is the authorized representative of Endress+Hauser products in the State of Florida. Manatee County Utilities Department has standardized the use of Endress+Hauser products throughout the County and moving away from their line of products would cause an increase in cost and inventory. Continued use of Endress+Hauser products helps to ensure that Utilities Department can maintain a cost-effective, efficient, and reliable line of products while avoiding any potential disruptions in service.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than November 22, 2023 for evaluation and consideration.
