### BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure a Flowserve well pump and installation from A.C. Schultes of Florida Inc. without conducting a competitive solicitation process for the following reason(s):

A.C. Schultes of Florida Inc. is a sole and exclusive representative for Flowserve pumps. A.C. Schultes of Florida Inc. can provide the technical and specific heavy equipment required to service replacement of this submersible turbine pump thus continuing a standardization of direct replacement pumps and inventory.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than April 7, 2025 for evaluation and consideration.
