November 13, 2015

TO: All Interested Quoters

SUBJECT: **Request for Quotation # 16-0105-DS**
**Ellenton Gillette Road Directional Drill Automated Traffic
Management System (ATMS) Conduit (Phase 1)**

ADDENDUM # 2

Quoters are hereby notified that this Addendum shall be acknowledged on page 22 of the Quote Form and made a part of the above named quoting and contract documents. Quotes submitted without acknowledgement of the Addendum will be considered incomplete.

The following items are issued to add to, modify, and clarify the Quote and contract documents. These items shall have the same force and effect as the original Quoting and contract documents, and cost involved shall be included in the bid prices. Quotes to be submitted on the specified bid date, shall conform to the additions and revisions listed herein.

The deadline for clarification of questions has passed as of **November 9, 2015 at 3:00 PM.** This deadline had been established to maintain fair treatment of all potential Quoters. Questions received after this date and time shall not be considered.

Quoters Note:

Additional Clarification to Response #7 from Addendum # 1:

- Q1: Will the MOT plan have to be signed and sealed? The F.D.O.T. permit has included MOT Index drawings, shouldn't this be adequate and the use of other F.DO.T. Indexes where applicable, without having a signed and sealed drawing?
- R1: When working in County ROW, the MOT plan is not required to be signed and sealed by a professional engineer. When working in FDOT ROW, if you are using standard indexes for the MOT, the MOT is not required to be signed and sealed. If you go submit a MOT plan that does not follow the standard indexes, the MOT plan will be required to be signed and sealed by a professional engineer certified with the appropriate training

The deadline date for submitting quotes has been changed, the time will remain the same.

The new date for submitting quotes is November 18, 2015 at 4:00 PM.

END OF ADDENDUM # 2

Sincerely,

Donna M. Stevens
Contract Specialist
