BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Hydromatic submersible pump service, parts and equipment from Barney's Pumps, Inc. without conducting a competitive solicitation process for the following reason(s):

The Utilities Department has the need for Hydromatic submersible pumps. The County has established a standard of use for the Hydromatic line of pumps. Barney's Pumps, Inc. is the Hydromatic authorized distributor for these proprietary systems in the SW Florida region. Continued use of Hydromatic submersible pumps allows for quicker repair times and minimize spare parts inventory. No modifications will be needed for these pump replacements because they are replacing older Hydromatic submersible pumps.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than November 20, 2023 for evaluation and consideration.
