**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure Polygon Fertilizer from Harrells, LLC without conducting a competitive solicitation process for the following reason(s):

The Parks Division of Manatee County uses polygon coated fertilizer because of its predictable performance and its labor-saving benefits. Harrells, LLC exclusively owns, produces, and distributes all Polygon branded products in the United States. They make custom blends of fertilizer based on the needs of the turf. It is dust free, safer to apply, and has a longer shelf life than other fertilizer.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than March 24, 2025 for evaluation and consideration.
