Dear Bill:

On November 3, 2016 Manatee County (the County) received six (6) bids for the Master Lift Station (MLS) 12A Emergency Generator Replacement Project. Enclosed is our tabulation of the bids, which range from a low of \$262,793.30 from Zabatt, Inc. to a high of \$600,145.70 from Eau Gallie. The Engineer's Opinion of Probable Construction Cost is \$522,500.00.

Cardno has reviewed the bids and found them to be in order and representative of the value of work to be performed. The bid prepared by the low bidder, Zabatt, Inc., includes Generac as the generator manufacturer, which meets the requirements of the Contract Documents. In addition, the references contacted and the feedback received indicates that this contractor has successfully completed recent projects with a similar scope and fee to the referenced project. Therefore, subject to concurrence by the County, we recommend that Zabatt, Inc. be awarded the bid in the amount of \$262,793.30.00. Please feel free to contact us if you have any questions.

Sincerely,

A handwritten signature in black ink that reads 'Kelly Wehner'.
