BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Leica Geosystems Survey Equipment and Software Training from Florida Level & Transit CO., Inc. without conducting a competitive solicitation process for the following reason(s):

Florida Level & Transit CO., Inc. is the only authorized Leica Geosystems dealer in the State of Florida, therefore they are the only company in Florida we can have service our Leica equipment.

Based upon these and other factors, the County plans to standardize the above referenced product.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than December 16, 2020 for evaluation and consideration.
