BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Cummins Bus Engine Overhaul from Cummins Sales and Service without conducting a competitive solicitation process for the following reason(s):

Cummins Sales and Service is an authorized dealer/distributor for parts, warranty and service for Cummins bus engines, They provide factory OEM parts and service and is the only local full service factory authorized repair center. Using non-OEM parts would void warranties.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than April 23, 2025 for evaluation and consideration.
