BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure biosolids burner equipment and services from Flare Services, LLC without conducting a competitive solicitation process for the following reason(s):

The Utilities Department, Wastewater Management Division, maintains a biosolids processing system using burner equipment to dry the biosolids. Flare Services, LLC is the original installer of this equipment and the only service provider with a history of servicing this system. The Utilities Department and Procurement have determined that biosolids burner equipment and services, sourced from Flare Services, LLC, is in the County's best interest.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than January 9, 2023 for evaluation and consideration.
