### BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure an extended warranty on AutoPulse Resuscitation Systems from Zoll Medical Corporation without conducting a competitive solicitation process for the following reason(s).

The County currently has 16 Zoll AutoPulse Resuscitation Systems. The equipment is used to perform mechanical CPR on EMS patients. The machines need to be serviced/maintained to stay within their operational parameters. Currently, there are no other authorized/certified companies providing services, repairs or replacement parts for the AutoPulse Resuscitation System.

Any company that believes they can provide this good or service must provide, in writing, convincing technical data sufficient to support their position to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than November 5, 2019.
