**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure the Q-Alert 311 software solution system from Q-Scend Technologies Inc., without conducting a competitive solicitation process for the following reason(s):

Q-Alert 311 system is a trademarked software solution provided by QScend Technologies Inc. The Q-Alert 311 solution is distinctively unique because it's the only solution that can integrate with CityWorks application and has regional connectivity options within the same cloud platform.

Any company that believes they can provide this good or service must provide, in writing, convincing technical data sufficient to support their position to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than October 16, 2019.
