BACKGROUND/DISCUSSION

The County currently has 215 Sierra Wireless gateway devices in service for EMS, Animal Services, Public Works, and Utilities. These devices allow for connectivity to the County's network from anywhere in the County. This connectivity provides greater efficiency and effectiveness for County employees in the aforementioned County divisions and departments to perform County functions, some of which are critical functions.

If a vendor believes this item is not a sole source or noncompetitive procurement, Manatee County Purchasing Division requires prospective vendors provide information regarding their ability to supply the commodity or contractual services described prior to the date indicated for "date contract shall be awarded".
