BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Removal, Installation and Startup of New Peerless Vertical Turbine Pump from Tom Evans Environmental, Inc without conducting a competitive solicitation process for the following reason(s):

Manatee County Utilities relies on the efficiency and reliability of the Peerless turbine pumps to maintain a seamless water treatment process. These pumps have a proven track record of requiring minimal maintenance, leading to reduced downtime and cost savings for the county. By sticking with Peerless pumps, the department ensures continuity in operations without the need for expensive adaptations to accommodate a different pump, ultimately safeguarding the county's budget. Additionally, the availability of spare parts on-site further reinforces the department's preparedness for any necessary repairs or emergencies. Tom Evans Environmental, Inc. serves as the exclusive representative for Peerless in the municipal market within the State of Florida, ensuring specialized support and expertise tailored to the county's specific needs.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than March 17, 2025 for evaluation and consideration.
