**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure nine street light poles and four street light arms from Valmont Industries, Inc. without conducting a competitive solicitation process for the following reason(s):

The County has standardized on Valmont Industries Inc.'s street light poles. Dot Lighting Inc. in New Port Richey is the County's Valmont representative and sole source for traffic signal poles, street light poles products, and GE Lighting for light fixtures for DOT roadway projects.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than December 7, 2021, for evaluation and consideration.
