BACKGROUND/DISCUSSION

Cost savings tests on alternate and less expensive brand products of sign sheeting failed in comparison to 3M's quality and longevity in the field. Pursuant to Florida Statutes Section 316.0745 all traffic control devices must be in conformance with the federal manual on Uniform Control Devices.

If a vendor believes these items are not a sole source or noncompetitive procurement, Manatee County Purchasing Division requires prospective vendors provide information regarding their ability to supply the commodity or contractual services described prior to the date indicated for "date contract shall be awarded".
