BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure MPM Generation 1 and 2, 37" displays with annual management support and warranty. from Avail Technologies Inc. without conducting a competitive solicitation process for the following reason(s):

The MPM displays are the only monitors compatible with the County's current operating system and installed on all other MCAT fixed route fleet vehicles. Avail Technologies, Inc. currently provides the MPM displays and technology support for the operating system.

Based upon these and other factors, the County plans to standardize the above referenced product.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than October 21, 2020 for evaluation and consideration.
