

# MANATEE COUNTY FLORIDA

## FACSIMILE

November 12, 2009

TO: All Bid Respondents

SUBJECT: Invitation for Bid #09-3145DC  
Highland Shores Boat Ramp

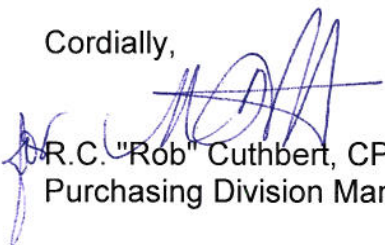

### ADDENDUM #2

Manatee County Purchasing has deferred opening the bids for the subject project to allow additional time for the County to obtain access to all required lands within the project area. Bid submittals (by the respondents listed below) were received into record by Purchasing at the advertised Bid Opening of November 10, 2009 at 3:00 P.M.; no other bids will be received after this time.

The County's decision to accept or reject the bids is contingent on the progress of the land use acquisition. All bid respondents will be notified within a reasonable time of the County's decision.

We truly appreciate your understanding while we finalize this administrative requirement and ask for your continued patience. If you have any concerns or questions, please contact Deborah Carey-Reed, Construction Buyer, at 941-749-3074.

Cordially,

  
R.C. "Rob" Cuthbert, CPM, CPPO  
Purchasing Division Manager
