

MANATEE COUNTY
FLORIDA

January 26, 2012

TO: All Interested Bidders

SUBJECT: Invitation for Bid # 12-0768-DS
Riverview Boulevard Bridge over McLewis Bayou

ADDENDUM # 1

Bidders are hereby notified that this Addendum shall be acknowledged on pages 00300-1 of the Bid Form and made a part of the above named bidding and contract documents. Bids submitted without acknowledgement of the Addendum will be considered incomplete.

The following items are issued to add to, modify, and clarify the bid and contract documents. These items shall have the same force and effect as the original bidding and contract documents, and cost involved shall be included in the bid prices. Bids to be submitted on the specified bid date, shall conform to the additions and revisions listed herein.

The deadline for clarification of questions is **February 8, 2012 at 3:00 pm.** This deadline had been established to maintain fair treatment of all potential bidders, while maintaining the expedited nature of the Economic Stimulus that the contracting of this work may achieve. Questions received after this date and time shall not be considered.

A public records request was made for the engineer's estimate for this project.

Attached is a copy of the engineer's estimate letter (1) page dated December 19, 2011. It is important to note that Manatee County Government is currently receiving competitive bids which are up to 50% lower than engineer's estimates. (1 page)

Re: Riverview Boulevard Bridge over McLewis Bayou, Project 402-6013260

Dear Ms. Stevens:

This letter is to provide responses to questions presented at the Bid Information Conference for your use in preparing Addendum #1.

Question 1: Do you want Builders Risk Insurance on this bridge project?

Response 1: Yes

Question 2: Do the MOT plans need to be signed and sealed by a registered Florida professional engineer as required in the special provisions?

Response 2: Yes

Question 3: Has the work on sheet 21 indicating construction of a new power service to the existing lift station been completed?

Response 3: Yes

Question 4: Will consideration be given to changing the sequence of installing all sheeting first and then the directional bore of the utilities as stated in Note 1 on sheet 21?

Response 4: The project is to be bid per the contract documents.

Question 5: Is there a conflict between where the power pole was relocated and the proposed sheet piling?

Response 5: There does not appear to be a conflict between the sheet piling wall and the power pole.

Question 6: Can the requirement for a general contractor's license be waived for the invitation to bid?

Response 6: No the general contractor's requirement cannot be waived for this contract.

December 19, 2011

To All Bidders

Re: Opinion of Probable Construction Cost for Riverview Boulevard Bridge over McLewis Bayou

The "probable construction cost" for the Riverview Boulevard Bridge over McLewis Bayou project is \$1,360,000 (one million, three hundred sixty thousand dollars).

The probable construction cost was determined as of December 16, 2011. The probable construction cost is based on the specifications and construction plans issued on December 16, 2011 for the Riverview Boulevard Bridge over McLewis Bayou Project. Changes to the specifications and construction plans subsequent to the original documents by addenda to this bid may not be accounted for in this probable construction cost.

Sincerely,

Wade Trim Associates, Inc.

Robert R. Breen, PE

Engineer of Record for the Riverview Boulevard Bridge over McLewis Bayou Project
