BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure a 911 console furniture relocation from Motorola Solutions, Inc. without conducting a competitive solicitation process for the following reason(s).

The County requires the uninstallation, storage, and reinstallation of Motorola's equipment, including cables for reconnection. The County's P25 radio system is currently under an 11-year maintenance and service contract with Motorola covering all repairs and services. Using a different contractor would compromise equipment warranties.

Any company that believes they can provide this good or service must provide, in writing, convincing technical data sufficient to support their position to the Manatee County Procurement Division at purchasing@mymanatee.org no later than December 14, 2021.
