Such Bidder will be disqualified from consideration for this IFB and may be disqualified from submitting a response on future solicitation opportunities with the County.

#### **A.12 UNBALANCED BIDDING**

County recognizes that large and/or complex projects will often result in a variety of methods, sources, and prices. Examples of unbalanced Bids will include:

1. Bids showing omissions, alterations of form, additions not specified, or required conditional or unauthorized alternate bids.
2. Bids quoting prices that substantially deviate, either higher or lower, from those included in the Bids of competitive Bidders for the same line item unit costs.

In the event County determines that a Bid is presumed unbalanced, it will request the opportunity to and reserves the right to, review all source quotes, bids, price lists, letters of intent, and other supporting documentation which the Bidder obtained and upon which the Bidder relied upon to develop its Bid. County reserves the right to deem any presumptive unbalanced Bid where the Bidder is unable to demonstrate the validity and/or necessity of the unbalanced unit costs as non-responsive.

Any such violation may result in contract cancellation, return of materials or discontinuation of services and the possible removal of Bidder from participation in future County solicitations for a specified period.

The County reserves the right to disqualify a Bidder during any phase of the solicitation process and terminate for cause any resulting contract upon evidence of collusion with intent to defraud on the part of the Bidder.

Additionally, Bidder shall provide a hard copy of its Bid that redacts all information designated as trade secret.

## **SECTION C, EXHIBITS**

## **EXHIBIT 1, SCOPE OF SERVICES**

### **1.01 BACKGROUND INFORMATION**

Manatee County (hereinafter in this Scope referred to as County) is requesting bids from qualified firms for the provision of water, sewer, backflow, and related parts for the Manatee County Utilities Department (hereinafter in this Scope referred to as Utilities Department).

The Utilities Department currently inventories an estimated 2,700 water, sewer, backflow, and related parts. The County is seeking to establish a strategic business partnership with qualified firms to supply and deliver water, sewer, backflow, and related parts that will meet the requirements of the Agreement.

The primary goal of the Agreement is to obtain expedited acquisition of water, sewer, backflow, and related parts. Therefore, delivery responsiveness under the terms of the Agreement is critical.

### **1.02 SCOPE**

The Successful Bidder (hereinafter in this Scope referred to as Supplier) must furnish all equipment, labor, materials, supplies, licensing, transportation, and other components necessary to supply and deliver water, sewer, backflow, and related parts that will meet the requirements of the Agreement.

The Agreement resulting from the County's acceptance of a bid will be made by issuing a zero-dollar Blanket Purchase Order to the Supplier. The Supplier will be bound by the terms and conditions of the Blanket Purchase Order and this Invitation for Bid. The County will place orders with the Supplier, on an as-needed basis, via Release Orders issued against the Blanket Purchase Order. The County reserves the right to award multiple Bidders.

### **1.03 SUPPLIER'S RESPONSIBILITIES AND REQUIREMENTS**

The Supplier must:

- A. Supply and deliver water, sewer, backflow, and related parts to the County as requested by the County on an as-needed basis.
- B. Ensure that all water, sewer, backflow, and related parts supplied to the County are in accordance with Exhibit 3, Utilities Standards Manual & Utilities Approved Product List (as adopted by the Board of County Commissioners on February 25, 2020 via Resolution R-20-031). The County reserves the right to reject all parts that are not in accordance with Exhibit 3, Utilities Standards Manual & Utilities Approved Product List.
- C. Ensure "No Lead" brass parts per Public Law 111-380, Reduction of Lead in Drinking Water Act approved on January 4, 2011. All brass fittings 2" and under

wetted by potable water must be “No Lead” certified and carry the “NL” designation on the casting.

- D. Ensure that all brass parts for potable water are in accordance with the Safe Drinking Water Act that restricts products in contact with drinking water to a 0.25% maximum lead content in the base material for all wetted components using a surface based averaging formula.
- E. Deliver all orders based on the Supplier’s lead time provided in Attachment G, Pricing Form. For all deliveries that cannot be completed based on the lead time provided, the Supplier must contact the County Utilities Representative within 24-hours from the date the County placed the order and provide a delivery date. The County reserves the right to cancel orders that cannot be delivered in the specified delivery time.
- F. Make all deliveries between the hours of 9:00 A.M. and 2:30 P.M., Monday through Friday, excluding County holidays.
- G. Make deliveries to the location identified on each Release Order unless otherwise instructed by the County.
- H. Deliver large project orders to the project sites or to a Utilities Maintenance Location within the County as instructed by the County as identified on each Release Order. If the Supplier cannot deliver to these locations, the Supplier must contact the County Utilities Representative within 24-hours from the date the County placed the order and provide a delivery date. The County reserves the right to cancel orders that cannot be delivered in the specified delivery time.
- I. Upon request by the County, make deliveries on holidays and weekends.
- J. Upon request by the County, provide same day deliveries for emergency orders.
- K. Ensure that the following delivery ticket requirements are met for all deliveries:
  - 1. Supplier must provide a delivery ticket with each delivery;
  - 2. All delivery tickets must include the Manatee County Stock Number as listed on Attachment G, Pricing Form, and the applicable stock price;
  - 3. All delivery tickets must be signed by the County Utilities Representative upon delivery; and
  - 4. Supplier must provide a County signed delivery ticket to the County Utilities Representative upon departure for each delivery.
- L. Provide First Priority Service: In conditions when a local emergency has been declared by the County or regional authority or when national supply allocations occur, grant the County delivery on a “first priority” basis.

- M. Provide three (3) Points of Contact (POC) who can be contacted for after-hours emergencies. Provide the POC's full names, phone numbers, and email addresses. The POC must be available twenty-four hours a day and seven days a week.
- N. Provide at least a 24-hour notice to the County Utilities Representative for all large shipments, e.g., truckloads requiring material handling equipment.
- O. Ensure that drop shipments are not made unless otherwise agreed to by the County.
- P. Keep the minimum agreed upon inventory in stock at Supplier's warehousing facility for each item awarded.
- Q. Meet with the Utilities Department on a quarterly basis to review stocking levels, make adjustments, and minimize stock.

#### **1.04 LINE ITEMS AND QUANTITIES**

The County reserves the right to add, delete, and revise Line Items on Attachment G, Pricing Form, as required to carry out the intent and purpose of the Agreement.

#### **1.05 RENEWAL OF AGREEMENT**

The Supplier must provide written notice of intent to not renew at least 120 days prior to the expiration date of an Agreement period.

The County will provide the Supplier with a written notice of intent to renew no sooner than 90 days prior to the expiration date of an Agreement period.

#### **1.06 PRICE ESCALATION/DE-ESCALATION**

- A. The Supplier's pricing for water, sewer, backflow, and related parts must remain firm for a minimum of one (1) year after execution of the Agreement. Requests for price increases or decreases, price escalation or de-escalation, (hereinafter in this Scope referred to as Price Change Request) may be submitted annually, at least 60 days prior to the expiration date of an Agreement period but no sooner than 90 days prior to the expiration date of an Agreement period.
- B. The Supplier may submit, to the County for their review and consideration, annual Price Change Requests for Line Items they were awarded. Submittal of a Price Change Request does not guarantee approval by the County. The Supplier must submit all Price Change Requests to the County for their review and consideration as follows:
  - 1. All Price Change Requests must be submitted to the County at least 60 days prior to the expiration date of an Agreement period. Price Change Requests submitted after 60 days will not be accepted or considered for approval by the County.

2. All Price Change Requests must be submitted in writing via email to the following two (2) email addresses: [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) and [brooke.baker@mymanatee.org](mailto:brooke.baker@mymanatee.org).
  3. All Price Change Requests must include supporting documentation that validates all increases and decreases in pricing as follows:
    - a. The supporting documentation must reference the specific Manatee County Stock Number and the Manufacturer as noted in Attachment G, Pricing Form, for each Line Item that the Supplier is requesting a price increase or decrease.
    - b. The supporting documentation must be dated no earlier than the start of the then current Blanket Purchase Order.
    - c. The supporting documentation must show that the requested pricing is currently in effect by providing a past invoice with the initial pricing and a current invoice with the new pricing.
- C. Any escalation or de-escalation in pricing will be based on change in the most recent 12-month period for the applicable Bureau of Labor Statistics Index (Index Calculation) per Exhibit 5, Line Item Producer Price Indexes, or as otherwise directed by the County.
- D. If a Price Change Request exceeds the Index Calculation, the County reserves the right to limit the approved price change to that of the Index Calculation.
- E. The County reserves the right to decrease prices if the Index Calculation reflects a de-escalation in pricing.
- F. Price changes on foreign products due to tariffs will be evaluated on a case-by-case basis when such tariff is implemented and/or rescinded.

SUPPLIER understands and agrees that the stipulated limits of coverage listed herein in this insurance section shall not be construed as a limitation of any potential liability to the COUNTY, or to others, and the COUNTY'S failure to request evidence of this insurance coverage shall not be construed as a waiver of SUPPLIER'S obligation to provide and maintain the insurance coverage specified.
- k. SUPPLIER understands and agrees that the COUNTY does not waive its immunity and nothing herein shall be interpreted as a waiver of the COUNTY'S rights, including the limitation of waiver of immunity, as set forth in Florida Statutes 768.28, or any other statutes, and the COUNTY expressly reserves these rights to the full extent allowed by law.

- I. No award shall be made until the Procurement Division has received the Certificate of Insurance in accordance with this section.

## **II. BONDING REQUIREMENTS**

**Bid Bond/Certified Check.** By submitting a proposal, the SUPPLIER agrees should its proposal be accepted, **to execute the form of Agreement and present the same to COUNTY for approval within ten (10) calendar days after notice of intent to award.** The SUPPLIER further agrees that failure to execute and deliver said form of Agreement **within ten (10) calendar days** will result in damages to COUNTY and as guarantee of payment of same a bid bond/certified check shall be enclosed within the submitted sealed proposal in the amount of five (5%) percent of the total amount of the proposal. The SUPPLIER further agrees that in case the SUPPLIER fails to enter into an Agreement, as prescribed by COUNTY, the bid bond/certified check accompanying the proposal shall be forfeited to COUNTY as agreed liquidated damages. If COUNTY enters into an agreement with a SUPPLIER, or if COUNTY rejects any and/or all proposals, accompanying bond will be promptly returned.

**Payment and Performance Bonds.** Prior to commencing work, the SUPPLIER shall obtain, for the benefit of and directed to COUNTY, a Payment and Performance Bond satisfying the requirements of Florida Statutes § 255.05, covering the faithful performance by the SUPPLIER of its obligation under the Contract Documents, including but not limited to the construction of the project on the project site and the payment and obligations arising thereunder, including all payments to Subcontractors, laborers, and materialmen. The surety selected by the SUPPLIER to provide the Payment and Performance Bond shall be approved by COUNTY prior to issuance of such Bond, which approval shall not be unreasonably withheld or delayed provided that surety is rated A- or better by Best's Key Guide, latest edition.

Failure to provide the required bonds on the prescribed form may result in SUPPLIER being deemed nonresponsive. Bonds must be in the form prescribed in Florida Statutes § 255.05, and must not contain notice, demand or other terms and conditions, including informal pre-claim meetings, not provided for in Florida Statutes § 255.05.

Bonds shall be in an amount equal to 100% of the contract price issued by a duly authorized and nationally recognized surety company, authorized to do business in the State of Florida, satisfactory to COUNTY. Surety shall be rated as "A-" or better by Best's Key Guide, latest edition. The attorney-in-fact who signs the bonds must file with the bonds, a certificate and effective dated copy of power-of-attorney. Payment and Performance Bonds shall be issued to "Manatee County, a political subdivision of the State of Florida", **within ten (10) calendar days after issuance of notice of intent to award.**

In addition, pursuant to Florida Statutes § 255.05(1)(b), Florida Statutes, prior to commencing work, the SUPPLIER shall be responsible and bear all costs associated to record the Payment and Performance Bond with the Manatee County Clerk of the Circuit Court. A certified copy of said recording shall be furnished to the Procurement Division

upon filing. Pursuant to Florida Statutes § 255.05(1)(b), Florida Statutes, COUNTY will make no payment to the SUPPLIER until the SUPPLIER has complied with this paragraph.

Furnishing Payment and Performance Bonds shall be requisite to execution of an Agreement with COUNTY. Said Payment and Performance Bonds will remain in force for the duration of this Agreement with the premiums paid by the SUPPLIER. Failure of the SUPPLIER to execute such Agreement and to supply the required bonds shall be just cause for cancellation of the award. COUNTY may then contract with the next lowest, responsive and responsible SUPPLIER or re-advertise this RFP.

Failure of COUNTY at any time to require performance by the SUPPLIER of any provisions set out in the resulting Agreement will in no way affect the right of COUNTY, thereafter, to enforce those provisions.
