Q: Lenel On-Guard: provide information regarding scope of services required (Reference page 12)

A: In approximately six months Property Management would like a report detailing the cost and parts inventory schedule for migration to Lenel On-Guard. This migration has a tentative 2017/2018 schedule. At this time the County has 52-58 panels at 25 locations throughout Manatee. (Reference page 12, Miscellaneous Work, Lenel On-Guard)

Q: Scope of Services, Section C – provide clarification

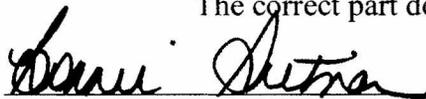

A: Section C – Repairs, maintenance, installation, software updates and service on all hardware, equipment, application software, and servers associated with the American Dynamics and Genetec video system and software systems presently used at the Manatee County Detention Center, Juvenile Assessment Center, and throughout Manatee County.

Q: Provide clarification regarding Genetec system ID's.

A: The two Genetec system ID's are "Security Center" and "Omni Cast". License keys shall be provided to awarded integrator.

Q: Clarification regarding an ACUXL control panel (page 11, item #1; page 16, section C-3)

The correct part description / part number is ACUXLplus.
