SOLE SOURCE LETTER

Environmental Systems Research Institute, Inc. (Esri)
380 New York Street
Redlands, CA 92373
E-mail: jricks@esri.com

DATE: July 17, 2015

TO: To Whom It May Concern

RE: Esri Sole Source Justification for Geographic Information System Software

This letter confirms that Esri, as owner and manufacturer, is the sole-source provider of software maintenance (technical support plus Esri software updates/upgrades) for Esri products.

Esri is the sole-source provider of the following Esri products in the commercial, state, and local government marketplace:

- ArcGIS for Aviation Bundle
- ArcGIS for Desktop Advanced
- ArcGIS for Desktop Standard
- ArcGIS for Maritime Bundle
- ArcGIS for Server and extensions
- ArcGIS Online (excluding data owned by 3rd party providers)
- ArcGIS Runtime and Extensions
- Certain proprietary training courses
- Esri Business Analyst Online
- Esri Community Analyst
- Esri Business Analyst Server
- Esri Defense Mapping Bundle
- Esri Developer Network (EDN) subscriptions
- Esri MapStudio
- Esri Maps Products
- Esri Roads and Highways
- Portal & Hosted Portal for ArcGIS

In an effort to support diversity in federal contracting, Esri has authorized certain small businesses (see GSA Advantage! for details) as resellers of the following Esri products to eligible entities purchasing under a GSA Schedule. Esri GSA resellers cannot sell Esri software to state or local entities:

- ArcGIS for Aviation
- ArcGIS for Desktop Advanced
- ArcGIS for Desktop Standard
- ArcGIS for Maritime: Bathymetry
- ArcGIS for Maritime: Charting
- ArcGIS for Server and extensions
- Esri Business Analyst Server
- Esri Defense Mapping
- Esri Production Mapping

Esri distributes certain software licenses, *excluding those listed above*, through open-market value-added resellers and distributors. If you have further questions, please contact me at 909-793-2853, extension 1-1990.
