BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure System Integrator Services from BCI Technologies without conducting a competitive solicitation process for the following reason(s):

BCI Technologies currently provides highly specialized service to all County Water Reclamation Facilities and it is the County's current application.

BCI Technologies is familiar with the North Water Reclamation Facility automation and system intergration standards within the County.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than November 23, 2020 for evaluation and consideration.
