BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure the services of Projection Mapping Installation Project for European Holiday Market from Michael W. Murphy, Jr. without conducting a competitive solicitation process for the following reason(s):

The Bradenton Area Convention Center (BACC) is putting on an owned event called a European Holiday Market in November/December 2024 that will attract tourists to the area while also delighting the community. For this European Holiday Market event, it is important that BACC begin searching for several experts to start designing and creating the European Holiday Market experience as this takes much time.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than December 20, 2023 for evaluation and consideration.
