- Additional locations and sites may be added during the contract duration at a set price per acre.
- 10/14/2011 to 11/21/2011, appropriate bid procedures were followed. The Invitation for Bids (IFB) was broadcast on the Manatee County website, and thirty (30) local firms were notified of the bid opportunity via email. Fourteen (14) bids were received.
- The Basis of Award for this Invitation for Bids (IFB), as stated in Article E.01 of the bid documents, will be made on an **All-or-None Total Offer Per Zone Basis** to the responsive, responsible bidder having the lowest total offer per zone listed on the Bid Form. Bidders are required to bid all items within a Zone to be responsive. Bidders may bid more than one zone to be responsive. **In order for any single vendor to be considered responsive for more than one zone, they must demonstrate that they have separate crews complete with equipment and a separate crew leader for each Zone.**
- Andersons Janitorial and Cleaning Services provided the lowest bid price for both Zone #1 and Zone #2, however their bid submittal did not demonstrate that they have separate crews complete with equipment and a separate crew leader to be considered responsive for award of more than one zone.
- Therefore, Andersons Cleaning and Janitorial Services shall be awarded only Zone #2, as this zone had the largest difference between the lowest bidder and the second lowest bidder providing the lowest overall cost to the County.
- Southern Service Companies provided the lowest bid price for Zone #3 and the second lowest bid price for Zone #1. In addition, their bid submittal demonstrated that they have separate crews complete with equipment and a separate crew leader to be considered responsive for award of more than one zone.
- The Public Works Department reviewed the bids submitted, and on 12/1/2011 their recommendation to award was received.
