BACKGROUND/DISCUSSION

The Manatee County Utilities Department, Solid Waste Operations Division is in need of continued annual Compuweigh software support for the Scalehouse. The Compuweigh system is used to manage the weighing of customer vehicles entering and exiting the landfill in order to determine dumping fees based on weight and type of materials dumped.

If a vendor believes this item is not a sole source procurement, Manatee County Purchasing Division requires prospective vendors provide information regarding their ability to supply the commodity or contractual services described prior to the date indicated for "date contract shall be awarded".
