BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Brite Stripe and RoboStripe athletic field paint. from Pioneer Manufacturing Company without conducting a competitive solicitation process for the following reason(s):

Pioneer's paint has luminary properties that are reflective at night under sports lighting enhancing safety conditions. It is the only paint that is recommended to work in the turf tank robots, which the County has standardized on. Property Management and Procurement have determined that this paint sourced from Pioneer Manufacturing Company is in the County's best interest

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than June 14, 2023 for evaluation and consideration.
