BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure road-base shell from Caloosa Materials, LLC without conducting a competitive solicitation process for the following reason(s):

Road-base shell is necessary for the stabilization of roads and needed to make repairs to damaged infrastructure. Any delay in obtaining the road-base shell material will impede repairs for the motoring public. Delivery of road-base shell has become cost prohibitive therefore, the County can pick up from Caloosa Materials, LLC at a lower rate per ton.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than July 13, 2023 for evaluation and consideration.
