BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Selectron products from Selectron Technologies, Inc. without conducting a competitive solicitation process for the following reason(s):

Manatee County Government has been utilizing Selectron products to organize, manage, and perform building inspections and permitting services since 1996; the Selectron products currently make up the Relay Self Service Customer Engagement Platform and the Atlas Mobile Workforce Efficiency Platform, both of which are utilized for organizing, managing, and performing building inspections and permitting services for the citizens of Manatee County; the Selectron Platforms require annual software subscription and hosting renewals; Selectron Technologies, Inc. has proprietary rights to and is the sole supplier of Selectron products.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than July 31, 2023 for evaluation and consideration.
