BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure APCO 30" Slanting disk check valve and required parts from Fluid Control Specialties Inc without conducting a competitive solicitation process for the following reason(s):

Fluid Control Specialties Inc is the sole source for all DeZurik Inc products including but not limited to APCO. The Utilities Department has standardized the use of APCO products in the water treatment plants throughout Manatee County with great results. Standardization allows for quicker and uniformed repairs in the Water Distribution systems, which prevents interruption to Manatee County's residents potable water. The Utilities Department and Procurement have determined that these valves are in Manatee County Government's best interest.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than 5pm August 22, 2023 for evaluation and consideration.
