Manatee County Code of Laws

BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure six (6) TS2-1 traffic signal cabinets from Econolite Control Products, Inc. without conducting a competitive solicitation process for the following reason(s):

Manatee County will be installing 6 temporary traffic signals which require the TS2-1 traffic signal cabinets. Econolite Control Products, Inc. is one (1) of two (2) vendors who can provide the required cabinet design standards needed for compatibility purposes with the County's existing traffic signal system. Due to time constraints, Econolite Control Products, Inc. is the only vendor who can meet the time frame which aligns with the projects needs.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than March 8, 2024 for evaluation and consideration.
