BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure Data Analysis with Proposed Strategic Action Steps to Address Homelessness Within Manatee County to Include Review of Existing Program Opportunities from Marbut Consulting without conducting a competitive solicitation process for the following reason(s):

Marbut Consulting has performed extensive work specializing in analysis of the state of homelessness in the greater Tampa Bay area including the City of Clearwater, City of St. Petersburg, Pinellas County and Sarasota County. Having been established in 1984, Marbut Consulting brings multiple years of experience and a unique perspective to the analysis of homelessness with the primary objective of helping local communities and regions to drastically reduce homelessness. Although there are other firms who provide homelessness data analytics, Marbut Consulting's many years of experience coupled with their specialized service record in the greater Tampa Bay Area, a data analysis with proposed strategic action steps to address homelessness within Manatee County to include review of existing program opportunities performed by Marbut Consulting best aligns with the County's overall homelessness goals and objectives.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than March 27, 2024 for evaluation and consideration.
