**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure Custom Shade Installation at Ron DeSantis Park from Kompan Inc. without conducting a competitive solicitation process for the following reason(s):

As part of the construction process two playground areas were erected, however the playground areas install did not include shade structures for the two areas. Kompan Inc. is the playground company who has been approved to provide the shade structure materials. Sports & Leisure, as well as Property Management would prefer Kompan Inc. also handle installation of the material so it is turn-key and expediated process, one source overseeing the whole project.

While there are other companies that can provide these similar services Kompan Inc. offers turnkey solutions and are best aligned with the County's current goals and objectives.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than April 2, 2024 for evaluation and consideration.
