BACKGROUND/DISCUSSION

Manatee County Procurement Division has completed a due diligence review and intends to procure a replacement hypochlorite tank and ancillary equipment necessary for its installation and operation from H2 Enviro Solutions, LLC without conducting a competitive solicitation process for the following reason(s):

H2 Enviro Solutions, LLC has the capability to replace the hypochlorite tanks while addressing the complete scope of work in a timely fashion and providing a turnkey solution, taking into account compatibility, and safety. While there are other companies that can provide this service, H2 Enviro Solutions, LLC best aligns with the County's current goals and objectives.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at purchasing@mymanatee.org no later than April 11, 2024 for evaluation and consideration.
