**NOTICE OF INTENT TO AWARD A SINGLE SOURCE CONTRACT**

The Manatee County Procurement Division provides notice of its intent to award a single source contract with a value of \$59,273.20 with Odyssey Manufacturing Company for the provision of Hydrochloric Acid Solution and Polymer Chemicals.

**ENABLING/REGULATING AUTHORITY**

**Federal/State law(s), administrative ruling(s), Manatee County Comp Plan/Land Development Code, ordinances, resolutions, policy.**

Manatee County Code of Laws

**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure Hydrochloric Acid Solution and Polymer Chemicals from Odyssey Manufacturing Company without conducting a competitive solicitation process for the following reason(s):

The County is collaboratively working with the Florida Department of Environmental Protection’s court-appointed receiver to close the Piney Point site which included the County designing, permitting, and constructing a \$10M deep injection well. The County also provided for temporary injection service treatment plant that was designed and constructed. This plant will clarify and remove constituents from the nutrient-rich ponds at Piney Point to yield water quality suitable for injection at a rate of up to 1 million gallons per day. Odyssey Manufacturing is a general service industrial chemical supplier. They currently have contracts to provide bleach and hydrochloric acid to the County. The following two (2) chemicals that are required to service Piney Point at this time: HCL 19%: UN1789, Hydrochloric Acid Solution, 8, PGII, 19%, and Polymer: Aqua Hawk MB-SR10X-42 lb. Pail.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than May 10, 2024 for evaluation and consideration.
