**BACKGROUND/DISCUSSION**

Manatee County Procurement Division has completed a due diligence review and intends to procure MTPA Implementation Support and Quality Management Program Development from Priority Dispatch Corp without conducting a competitive solicitation process for the following reason(s):

Priority Dispatch uses a comprehensive system approach to training with trainers who are certified by IAED-International Academy of Emergency Dispatch. The training uses software that has been in use for over twenty years in the County. Use of other providers would require new software to be purchased and hardware to be reconfigured to support a new software.

Any company that believes it can provide this good/service, must submit detailed information about its good/service to the Manatee County Procurement Division at [purchasing@mymanatee.org](mailto:purchasing@mymanatee.org) no later than May 24, 2024 for evaluation and consideration.
